CERTIFICATE UNDER 37 C.F.R. § 3.73(B)

MIPS Technologies, Inc., a corporation, certifies that it is an assignee of the patent application identified above by virtue of an assignment from the inventor(s) of the patent application identified above for which a copy thereof is attached.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
